Contributing to this eco-friendly world, We’re a sustainable, eco-friendly trading company that provides biodegradable tableware made from sugarcane bagasse. As an environmentally conscious business, we strive to do our part in taking care of the Earth while meeting people’s needs.

These tableware are gaining popularity as a greener option as compared to traditional plastic plates. They have a variety of uses,such as in the food service sector, cafes, and catering services.They can also be used at home or at social events and parties.Don’t worry though, it’s durable and safe to eat off of.

We value making your experience with us the best it can be and putting your needs first.

Our team works together seamlessly to brainstorm new ideas and create beneficial products.

No matter your background or who you are, we will respect you and assist you. We welcome diversity and accept differences.

We make our processes and methods fully known and don’t have anything to hide.

We pride ourselves on being a trustworthy company that you can rely on.
